Protest /Appeals

In case there is an objection to a judgment regarding scoring, points and application of competition rules, each coach can make a request to the center referee for an immediate review of the video replay. After receiving the request, the Review Jury shall review the video and make a decision. Each coach shall have one (1) chance to appeal per contest. If the appeal is successful and the contested point is corrected, the coach shall retain the appeal quota for the pertinent contest. The number of requests a coach can make all through the competition is limited to only one (1) in consideration of the total number of contests per contestant (maximum three matches per contestant).

The decision of the Review Jury is final; no further appeals will be accepted during or after the contest, with exception of errors in determining the match results, mistakes in calculating the match score or misidentifying a contestant. In such instances, an official pretest could be submitted according to the "Protest procedure after the match" in the WTF Competition Rules.
