Re: Announcement of Conducting WT Online International Coach Certification Courses

Dear Presidents and Secretaries General,

I hope this letter finds you well in good health.

Our world is facing a crisis of the Covid-19 pandemic. Yet, it's heartening to see individuals, communities and organizations find ways to assist and support each other during these unprecedented times.

Under this circumstance, the scheduled WT International Coach Certification Courses have been cancelled or postponed in uncertain time although holding valid WT Coach license is mandatory to coach at WT promoted and recognized competitions from January 1, 2021.

With this regard, WT has decided to resume WT International Coach Certification Course via online basis using video conference system. The coaches who have successfully passed the course will be granted with the valid coach certificate identical to the certificate issued from offline courses.

We believe that this new format will be beneficial to the hosting MNAs and participating coaches in saving substantial amount of logistic costs while the quality of the education is maintained. WT and GMS team will provide the online platform for registration and education.

If you are interested in hosting Level I International Coach Certification Course via online, please complete the attached application form and return to WT at education@worldtaekwondo.org by no later than June 5, 2020.

Thank you for your kind attention, and please do not hesitate to contact us at education@worldtaekwondo.org if you have any questions regarding the online course.

Sincerely yours,

A handwritten signature in black ink that reads "Hoss Rafaty".
